This is to certify **Mr. Amit Pandit** has been actively involved in **Robotics Club** of **Pulchowk Campus** since 2013 till 2017. He is a prolific student and his brainstorming abilities were a great asset in design, development and fabrication of robots for **International Robocon competition**. He was also responsible for mentoring freshmen on **Workshop technology** and design software: **SolidWorks**. During his involvement at the Robotics club he showed great leadership skills, critical thinking as well as good morale.

We wish him all the best in his future endeavors.
